

All tourist accommodation are permitted to operate from 15 June by Greek Authorities under some protocols against Covid 19

So we are obliged to keep a file with the personal data of all guests (name, nationality, address, communication telephone, e-mail).

We are obliged to report immediately any suspect case of Covid -19 and to follow special instructions in this case.

Please inform the owner in case that a person from your family has disease symptoms (fever, cough)

Check-in is at 3.00pm Check -out at 11.00am

The interval between check out and check-in of next guest is 28 hours.

The apartment is cleaned according cleaning instructions based on the recommendations of Greek authorities, WHO and the US Centers for Disease Control and Prevention (CDC)

After your arrival you will be welcomed from the owner , from the necessary safety distance .

He will give to you all necessary information the same way.

You will find the keys on the door.

You will find in the apartment, thermometer , masks, gloves, hand sanitizer and all necessary material for disinfection of any object you think necessary.

You will find also all necessary information about Volos hospital, Argalasti health center and pharmacies in Argalasti and Milina.

We encourage you to follow instructions for hand hygiene and distancing policies with local community.

We recommend removing shoes when entering the property and leaving them at the entrance (if possible, outside)

Intermediary cleaning by the house cleaner will be executed during your absence.

The apartment should be in a condition suitable for cleaning and disinfection (free of food outside the fridge and clothes and other objects outside suitcases) and the doors and windows open 3 hours before the house cleaner entrance.
